## WHY EXHIBIT?

- This is the only bankers' trade show held in Maine for Maine banks.
- Bankers attending receive a product and service profile for all exhibitors, and bankers are required to visit each exhibit booth before being eligible to participate in the Grand Prize drawing.
- Exhibitors receive an advance registration list to use in pre- and post-show promotion.
- All meals, breaks and prize drawings take place in the Exhibit Hall.
- Bankers attend this meeting to talk business. There are no cocktail parties, golf tournaments or group tours to distract them from their purpose!
